

Option Agreement

In connection with any transactions in options which have been or may be purchased, sold, exercised or endorsed for the undersigned's account with AOS, Inc. doing business as TradingBlock and MoneyBlock, the Introducing Broker as defined below, which clears through Apex Clearing Corporation, the undersigned agrees as follows:

1. Definitions. "Introducing Broker" means AOS, Inc. doing business as TradingBlock and MoneyBlock which introduces security transactions on behalf of the undersigned, which transactions are cleared through Apex, whether one or more. **"Obligations"** means all indebtedness, debit balances, liabilities or other obligation of any kind of the undersigned to Apex, whether now existing or hereafter arising. **"Options"** means all types of options, including puts, calls, equity, debt, index or otherwise. **"Securities and other property"** shall include, but shall not be limited to money, securities, commodities or other property of every kind and nature and all contracts and options relating thereto, whether for present or future delivery. **"Apex"** refers to Apex Clearing Corporation.

2. Limits. The undersigned shall not, acting alone or in concert with others, exceed the position/exercise limits set forth by any exchange or market or by any other regulatory authority having jurisdiction.

3. Authority, Execution of Orders, Security Interest. The undersigned hereby authorizes Apex in its discretion, should Apex deem it necessary for Apex's protection for any reason, including death of the undersigned, to buy, sell, or sell short for the undersigned's account any risk, puts, calls or other forms of option and/or to buy, sell or sell short any part or all of the underlying shares represented by options endorsed by Apex for the undersigned's account. Any and all expenses incurred by Apex in connection with such transactions shall be reimbursed by the undersigned to Apex. The undersigned understands and acknowledges that when transactions on the undersigned's behalf are to be executed and the options are traded in more than one marketplace Apex may use its discretion in selecting the market in which to enter the undersigned's order unless the undersigned specifically instructs otherwise. All monies, securities, or other property which Apex may hold in any account of the undersigned shall be held subject to a general lien for the discharge of the undersigned's obligations to Apex under this Agreement or otherwise. The decision to enter into options transactions was made entirely by the undersigned without any investment advice from Apex or the Introducing Broker.

4. Notice, Exercise, Random Allocation. The undersigned is aware of Apex's requirements and time limitations for accepting an exercise notice and expiration date. The undersigned understands that the undersigned may not receive actual notice of exercise until the week following exercise. The undersigned bears full responsibility for taking action to exercise or sell valuable options; however, in the absence of the undersigned notifying the Introducing Broker to exercise a valuable options contract by 3 P.M. Central Standard Time on the last business day prior to the expiration date of the options contract, and the Introducing Broker instructing Apex to sell valuable options on the undersigned's behalf within such time, the undersigned agrees that Apex may exercise the options contract on the undersigned's behalf. In the event of such exercise, the profit in excess of commission costs created thereby will be credited to the undersigned's account. In the event that the commissions to be charged for such an expiration transaction exceeds the proceeds to be realized, the undersigned agrees and hereby relinquishes the undersigned's ownership in said option to Apex, and Apex may exercise such option for its own account. If the undersigned does not instruct the Introducing Broker to exercise the valuable option by the time stated above, and Apex for whatever reason, does not exercise such option on the undersigned's behalf, the undersigned hereby waives any and all claims for damage or loss which the undersigned might at the time or any time thereafter have against Apex arising out of the fact that the option was not exercised. The undersigned is aware that Apex utilizes a random method of allocation for all option(s) assignments received from the Option Clearing Corporation. Exercise assignment notices for options contracts are allocated among all customers' short options, including positions established on the day of assignment, those contracts which are subject to exercise. All American short positions are liable for assignment at any time. The undersigned understands that a more detailed description of this procedure is available upon request by the undersigned.

5. Uncovered Options. The undersigned agrees that in connection with any uncovered options(s) for the undersigned's account, uncovered options are prohibited in IRA accounts. The undersigned agrees not to sell, during the life of the options in the account, the underlying securities collateralizing such options, including any cash or securities which may accrue on the underlying covered securities until such options are closed, exercised or expired or the undersigned has met the collateral requirements established by Apex and or the Introducing Broker for carrying uncovered options. The undersigned also agrees that the Introducing Broker and or Apex, in its respective sole discretion, may refuse any order to sell such underlying securities received from the undersigned or by means of a "give up" basis through another firm unless, prior to such sale, the undersigned has met the collateral requirements established by Apex and/or the Introducing Broker for carrying uncovered options Apex has the right, in its sole discretion, to permit the undersigned to apply the proceeds of such sale to such collateral requirements.

6. Risks. The undersigned is aware of the high degree of risk involved in options transactions and has given the Introducing Broker, in strict confidence, information to demonstrate that this account and the trading anticipated in connection therewith is not unsuitable for the undersigned in light of the undersigned's investment objectives, financial situation and needs, experience and knowledge. The undersigned agrees to advise the Introducing Broker of any changes in the undersigned's investment objectives, financial situation or other circumstances that may be deemed to materially affect the suitability of

executing options transactions for the undersigned's account.

7. Options Account Form, Disclosure Documents. The undersigned has reviewed the contents of the options account form and represents that they are accurate. Although certain types of transactions are indicated as anticipated, Apex and the Introducing Broker may execute any other types of transactions for the undersigned's account upon the undersigned's instructions. The undersigned has received an Options Disclosure Document relating to options on the categories of underlying securities which the undersigned has been approved for trading.

8. Accounts Carried as Clearing Broker. The undersigned understands that Apex is carrying the accounts of the undersigned as clearing broker by arrangement with the undersigned's Introducing Broker through whose courtesy the account of the undersigned has been introduced to Apex. Until receipt from the undersigned of written notice to the contrary, Apex may accept and rely upon the Introducing Broker for (a) orders for the purchase or sale in said account of securities and other property, and (b) any other instructions concerning the undersigned's accounts. The undersigned represents that the undersigned understands that Apex acts only to clear trades introduced by the undersigned's Introducing Broker and to effect other back office functions for the undersigned's Introducing Broker. The undersigned confirms to Apex that the undersigned is relying for any advice concerning the undersigned's accounts solely on the undersigned's Introducing Broker. The undersigned understands that all representatives, employees and other agents with whom the undersigned communicates concerning the undersigned's account are agents of the Introducing Broker, and not Apex's representatives, employees or other agents. Options carry special risks and are not suitable for all investors. You should review the OPTIONS DISCLOSURE DOCUMENT and endeavor to understand the contents before you fund your account and engage in any option trading activity. All option trading is based on speculation, whether it is the purchase of Call and Put options outright or the naked selling of Call and Put options. SPECULATION by definition is a strategy that takes greater than average risk to achieve the potential for greater than average growth, with greater than average volatility. Speculation means that you need to assume greater levels of risk than non-speculative investing. If you cannot assume this greater risk, or if you have a low risk tolerance, then you should not speculate in the options markets. Speculation is reserved for monies that should be classified as risk capital. If you cannot afford to lose such risk capital, then you should not speculate in the options. Using an advisor does not eliminate your obligation to understand the characteristics and special risks of options and options markets. You acknowledge that you have read the relevant industry's disclosure documents, CHARACTERISTICS AND RISKS OF STANDARDIZED OPTIONS before investing any money in options.

I ACKNOWLEDGE THAT I HAVE RECEIVED, READ, AND UNDERSTOOD THE OPTIONS RISK DISCLOSURE DOCUMENTS, AND AGREE TO INDEMNIFY AND HOLD HARMLESS THE FIRM AND ITS AGENTS FOR THE RESULTS OF TRADING IN MY ACCOUNT.

BY ACCEPTING THIS DOCUMENT, I AGREE TO ALL TERMS OF THIS OPTION AGREEMENT AND ACKNOWLEDGE THE RECEIPT OF A COPY OF THIS AGREEMENT.
